PROTECTIVE ORDER

[NOTE CHANGES BY THE COURT]

[Discovery Document: Referred to
Magistrate Judge John D. Early]

29 Based on the Joint Submission Regarding Stipulated Protective Order (Dkt. 101)
30 and arguments of counsel for the parties, the Court finds and orders as follows.

31 ///

32 ///

33 ///

34 ///

35 ///

1 1. PURPOSES AND LIMITATIONS

2 Discovery in this action is likely to involve production of confidential,
3 proprietary or private information, including protected health information (“PHI”), for
4 which special protection from public disclosure and from use for any purpose other
5 than pursuing this litigation may be warranted. Accordingly, the parties hereby
6 stipulate to and petition the Court to enter the following Stipulated Protective Order.
7 Although it is Plaintiffs’ position that they are not seeking the production of
8 individually identifiable health information, the parties, by and through their respective
9 counsel, have mutually agreed to remain in full compliance with any privacy
10 requirements imposed by regulations promulgated under HIPAA, the Confidentiality
11 of Medical Information Act (“CMIA”), the California regulations regarding Residential
12 Care Facilities for the Elderly (“RCFEs”), and all laws protecting the privacy and
13 confidentiality of RCFE residents’ personal information. The parties acknowledge that
14 this Order does not confer blanket protections on all disclosures or responses to
15 discovery and that the protection it affords from public disclosure and use extends only
16 to the limited information or items that are entitled to confidential treatment under the
17 applicable legal principles.

18 2. GOOD CAUSE STATEMENT

19 This action involves the services provided by assisted living facilities and the
20 payments made for such services. Accordingly, it is highly likely to involve personal
21 financial and medical information of Plaintiffs and putative class members, trade
22 secrets, customer and pricing lists, staffing data, and other valuable research,
23 development, commercial, financial, technical and/or proprietary information for
24 which special protection from public disclosure and from use for any purpose other
25 than prosecution of this action is warranted. Such confidential and proprietary
26 materials and information consist of, among other things, Plaintiffs’ and the putative
27 class members’ medical records, care records, financial records, and other personal
28 information; Defendant’s confidential business or financial information, including

1 internal budgets, pricing structures, staffing analyses, financial performance data,
2 employee compensation information, employee training materials, and other
3 information regarding confidential business practices and policies (or the lack thereof),
4 or other confidential research, development, or commercial information (including
5 information implicating privacy rights of Non-Parties), information otherwise
6 generally unavailable to the public, or which may be privileged or otherwise protected
7 from disclosure under state or federal statutes, court rules, case decisions, or common
8 law. Accordingly, to expedite the flow of information, to facilitate the prompt
9 resolution of disputes over confidentiality of discovery materials, to adequately protect
10 information the parties are entitled to keep confidential, to ensure that the parties are
11 permitted reasonable necessary uses of such material in preparation for and in the
12 conduct of trial, to address their handling at the end of the litigation, and serve the ends
13 of justice, a protective order for such information is justified in this matter. It is the
14 intent of the parties that information will not be designated as confidential for tactical
15 reasons and that nothing be so designated without a good faith belief that it has been
16 maintained in a confidential, non-public manner, and there is good cause why it should
17 not be part of the public record of this case.

18 3. ACKNOWLEDGMENT OF UNDER SEAL FILING PROCEDURE

19 The parties further acknowledge, as set forth in Section 14.3, below, that this
20 Stipulated Protective Order does not entitle them to file confidential information under
21 seal; Local Civil Rule 79-5 sets forth the procedures that must be followed and the
22 standards that will be applied when a party seeks permission from the court to file
23 material under seal. There is a strong presumption that the public has a right of access
24 to judicial proceedings and records in civil cases. In connection with non-dispositive
25 motions, good cause must be shown to support a filing under seal. *See Kamakana v.*
26 *City and Cty. of Honolulu*, 447 F.3d 1172, 1176 (9th Cir. 2006), *Phillips v. Gen.*
27 *Motors Corp.*, 307 F.3d 1206, 1210-11 (9th Cir. 2002), *Makar-Welbon v. Sony Elecs.,*
28 *Inc.*, 187 F.R.D. 576, 577 (E.D. Wis. 1999) (even stipulated protective orders require

1 good cause showing), and a specific showing of good cause or compelling reasons
2 with proper evidentiary support and legal justification, must be made with respect to
3 Protected Material that a party seeks to file under seal. The parties' mere designation
4 of Disclosure or Discovery Material as "CONFIDENTIAL" or "HIGHLY
5 CONFIDENTIAL – ATTORNEYS' EYES ONLY" does not— without the submission
6 of competent evidence by declaration, establishing that the material sought to be filed
7 under seal qualifies as confidential, privileged, or otherwise protectable—constitute
8 good cause.

9 Further, if a party requests sealing related to a dispositive motion or trial, then
10 compelling reasons, not only good cause, for the sealing must be shown, and the relief
11 sought shall be narrowly tailored to serve the specific interest to be protected. *See*
12 *Pintos v. Pacific Creditors Ass'n*, 605 F.3d 665, 677-79 (9th Cir. 2010). For each item
13 or type of information, document, or thing sought to be filed or introduced under seal,
14 the party seeking protection must articulate compelling reasons, supported by specific
15 facts and legal justification, for the requested sealing order. Again, competent evidence
16 supporting the application to file documents under seal must be provided by
17 declaration.

18 Any document that is not confidential, privileged, or otherwise protectable in its
19 entirety will not be filed under seal if the confidential portions can be redacted. If
20 documents can be redacted, then a redacted version for public viewing, omitting only
21 the confidential, privileged, or otherwise protectable portions of the document, shall be
22 filed. Any application that seeks to file documents under seal in their entirety should
23 include an explanation of why redaction is not feasible.

24 4. DEFINITIONS

14 4.7 **Expert:** a person with specialized knowledge or experience in a matter
15 pertinent to the litigation who has been retained by a Party or its counsel to serve as an
16 expert witness or as a consultant in this Action.

17 4.8 **“HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY”**
18 **Information or Items:** extremely sensitive “CONFIDENTIAL” information
19 (regardless of how it is generated, stored or maintained) or tangible things that qualify
20 for protection under Federal Rule of Civil Procedure 26(c) and contain sensitive
21 personal information regarding individuals (including but not limited to social security
22 numbers, financial account numbers, credit card numbers, mothers’ maiden names,
23 passwords, driver’s license numbers or state identification numbers, and dates of birth,
24 as well as home addresses, personal e-mail addresses, and telephone numbers of
25 persons other than the named Plaintiffs); names of minor children; PHI as that term is
26 defined under HIPAA and the federal regulations enacted pursuant to HIPAA and
27 medical information protected from disclosure under California law, including the
28 CMIA; trade secrets; and any other extremely sensitive “Confidential Information or

1 Items,' disclosure of which, to another Party or Non-Party would create a substantial
2 risk of serious harm that could not be avoided by less restrictive means.

3 4.9 **House Counsel:** attorneys who are employees of a party to this Action.
4 House Counsel does not include Outside Counsel of Record or any other outside
5 counsel.

6 4.10 **Non-Party:** any natural person, partnership, corporation, association or
7 other legal entity not named as a Party to this action.

8 4.11 **Outside Counsel of Record:** attorneys who are not employees of a party
9 to this Action but are retained to represent a party to this Action and have appeared in
10 this Action on behalf of that party or are affiliated with a law firm that has appeared on
11 behalf of that party, and includes support staff.

12 4.12 **Party:** any party to this Action, including all of its officers, directors,
13 employees, consultants, retained experts, and Outside Counsel of Record (and their
14 support staffs).

15 4.13 **Producing Party:** a Party or Non-Party that produces Disclosure or
16 Discovery Material in this Action.

17 4.14 **Professional Vendors:** persons or entities that provide litigation support
18 services (e.g., photocopying, videotaping, translating, preparing exhibits or
19 demonstrations, and organizing, storing, or retrieving data in any form or medium) and
20 their employees and subcontractors.

21 4.15 **Protected Material:** any Disclosure or Discovery Material that is
22 designated as "CONFIDENTIAL" or "HIGHLY CONFIDENTIAL – ATTORNEYS'
23 EYES ONLY."

24 4.16 **Receiving Party:** a Party that receives Disclosure or Discovery Material
25 from a Producing Party.

1 5. SCOPE

2 The protections conferred by this Stipulation and Order cover not only Protected
3 Material (as defined above), but also (1) any information copied or extracted from
4 Protected Material; (2) all copies, excerpts, summaries, or compilations of Protected
5 Material; and (3) any testimony, conversations, or presentations by Parties or their
6 Counsel that might reveal Protected Material.

7 Any use of Protected Material at trial shall be governed by the orders of the trial
8 judge and other applicable authorities. This Order does not govern the use of Protected
9 Material at trial.

10 6. DURATION

11 Even after final disposition of this litigation, the confidentiality obligations
12 imposed by this Order shall remain in effect until a Designating Party agrees otherwise
13 in writing or a court order otherwise directs. Final disposition shall be deemed to be
14 the later of (1) dismissal of all claims and defenses in this action, with or without
15 prejudice; or (2) entry of final judgment herein after the completion and exhaustion of
16 all appeals, rehearings, remands, trials, or reviews of this action, including the
17 expiration of time limits pursuant to applicable law for pursuing such appeals,
18 rehearings, remands, trials, or review.

19 However, if this case proceeds to trial, information that was designated as
20 CONFIDENTIAL or maintained pursuant to this protective order used or introduced as
21 an exhibit at trial becomes public and will be presumptively available to all members
22 of the public, including the press, unless compelling reasons supported by specific
23 factual findings to proceed otherwise are made to the trial judge in advance of the trial.
24 *See Kamakana*, 447 F.3d at 1180-81 (distinguishing “good cause” showing for sealing
25 documents produced in discovery from “compelling reasons” standard when merits-
26 related documents are part of court record). Accordingly, the terms of this protective
27 order do not extend beyond the commencement of the trial, without prejudice to
28 Sunrise requesting confidential treatment of certain information at trial.

1 7. DESIGNATING PROTECTED MATERIAL

2 7.1 Exercise of Restraint and Care in Designating Material for Protection.

3 Each Party or Non-Party that designates information or items for protection under this
4 Order must take care to limit any such designation to specific material that qualifies
5 under the appropriate standards. The Designating Party must designate for protection
6 only those parts of material, documents, items or oral or written communications that
7 qualify so that other portions of the material, documents, items or communications for
8 which protection is not warranted are not swept unjustifiably within the ambit of this
9 Order.

10 Mass, indiscriminate or routinized designations are prohibited. Designations that
11 are shown to be clearly unjustified or that have been made for an improper purpose
12 (e.g., to unnecessarily encumber the case development process or to impose
13 unnecessary expenses and burdens on other parties) may expose the Designating Party
14 to sanctions.

15 If it comes to a Designating Party's attention that information or items that it
16 designated for protection do not qualify for protection, that Designating Party must
17 promptly notify all other Parties that it is withdrawing the inapplicable designation.

18 7.2 Manner and Timing of Designations. Except as otherwise provided in this
19 Order, or as otherwise stipulated or ordered, Disclosure of Discovery Material that
20 qualifies for protection under this Order must be clearly so designated before the
21 material is disclosed or produced.

22 Designation in conformity with this Order requires:

23 (a) for information in documentary form (e.g., paper or electronic
24 documents, but excluding transcripts of depositions or other pretrial or trial
25 proceedings), that the Producing Party affix at a minimum, the legend
26 "CONFIDENTIAL", or "HIGHLY CONFIDENTIAL – ATTORNEYS' EYES
27 ONLY" to each page that contains protected material. If only a portion of the material
28 on a page qualifies for protection, the Producing Party must clearly identify the

protected portion(s) (e.g., by making appropriate markings in the margins). A Party or Non-Party that makes original documents available for inspection need not designate them for protection until after the inspecting Party has indicated which documents it would like copied and produced. During the inspection and before the designation, all of the material made available for inspection shall be deemed “CONFIDENTIAL.” After the inspecting Party has identified the documents it wants copied and produced, the Producing Party must determine which documents, or portions thereof, qualify for protection under this Order. Then, before producing the specified documents, the Producing Party must affix the “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY” legend to each page that contains Protected Material. If only a portion of the material on a page qualifies for protection, the Producing Party also must clearly identify the protected portion(s) (e.g., by making appropriate markings in the margins).

(b) for protected testimony given in depositions that the Designating Party either (1) identifies on the record or (2) identifies, in writing within 21 days of receipt of the final transcript, that the transcript shall be treated as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY.”

(c) for information produced in some form other than documentary and for any other tangible items, that the Producing Party affix in a prominent place on the exterior of the container or containers in which the information is stored the legend “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY,” as applicable. If only a portion or portions of the information warrants protection, the Producing Party, to the extent practicable, shall identify the protected portion(s).

7.3 Inadvertent Failures to Designate. If timely corrected, an inadvertent failure to designate qualified information or items does not, standing alone, waive the Designating Party’s right to secure protection under this Order for such material. Upon

1 timely correction of a designation, the Receiving Party must make reasonable efforts to
2 assure that the material is treated in accordance with the provisions of this Order.

3 8. CHALLENGING CONFIDENTIALITY DESIGNATIONS

4 8.1. Timing of Challenges. Any Party or Non-Party may challenge a
5 designation of confidentiality at any time that is consistent with the Court's Scheduling
6 Order.

7 8.2 Meet and Confer. The Challenging Party shall initiate the dispute
8 resolution process under Local Rule 37-1 et seq.

9 8.3 Joint Stipulation. Any challenge submitted to the Court shall be via a joint
10 stipulation pursuant to Local Rule 37-2.

11 8.4 The burden of persuasion in any such challenge proceeding shall be on the
12 Designating Party. Frivolous challenges, and those made for an improper purpose (e.g.,
13 to harass or impose unnecessary expenses and burdens on other parties) may expose
14 the Challenging Party to sanctions. Unless the Designating Party has waived or
15 withdrawn the confidentiality designation, all parties shall continue to afford the
16 material in question the level of protection to which it is entitled under the Producing
17 Party's designation until the Court rules on the challenge.

18 9. ACCESS TO AND USE OF PROTECTED MATERIAL

19 9.1 Basic Principles. A Receiving Party may use Protected Material that is
20 disclosed or produced by another Party or by a Non-Party in connection with this
21 Action only for prosecuting, defending or attempting to settle this Action. Such
22 Protected Material may be disclosed only to the categories of persons and under the
23 conditions described in this Order. When the Action has been terminated, a Receiving
24 Party must comply with the provisions of section 15 below (FINAL DISPOSITION).

25 Protected Material must be stored and maintained by a Receiving Party at a
26 location and in a secure manner that ensures that access is limited to the persons
27 authorized under this Order. Receiving Party shall advise the Designating Party as to
28 the manner in which the Protected Information has been secured.

1 9.2 Disclosure of “CONFIDENTIAL” Information or Items. Unless
2 otherwise ordered by the court or permitted in writing by the Designating Party, a
3 Receiving Party may disclose any information or item designated “CONFIDENTIAL”
4 only to:

5 (a) the Receiving Party’s Outside Counsel of Record in this Action, as
6 well as employees of said Outside Counsel of Record to whom it is reasonably
7 necessary to disclose the information for this Action;

8 (b) the officers, directors, and employees (including House Counsel) of
9 the Receiving Party to whom disclosure is reasonably necessary for this Action;

10 (c) Experts (as defined in this Order) of the Receiving Party to whom
11 disclosure is reasonably necessary for this Action and who have signed the
12 “Acknowledgment and Agreement to Be Bound” (Exhibit A), except that information
13 or items designated as CONFIDENTIAL shall not be disclosed to any outside experts
14 who are current employees, consultants, officers, principals, or directors of a direct
15 competitor of Defendants identified on Exhibit B;

16 (d) the court and its personnel;

17 (e) court reporters and their staff;

18 (f) professional jury or trial consultants, mock jurors, and Professional
19 Vendors to whom disclosure is reasonably necessary for this Action and who have
20 signed the “Acknowledgment and Agreement to Be Bound” (Exhibit A), except that
21 information or items designated as CONFIDENTIAL shall not be disclosed to any
22 outside consultants or vendors who are current employees, officers, principals, or
23 directors of a direct competitor of Defendants identified on Exhibit B;

24 (g) the author or recipient of a document containing the information or a
25 custodian or other person who otherwise possessed or knew the information;

26 (h) during their depositions, witnesses, and attorneys for witnesses, in the
27 Action to whom disclosure is reasonably necessary provided: (1) the deposing party
28 requests that the witness sign the form attached as Exhibit A hereto; and (2) the

1 witness will not be permitted to review any confidential information unless they sign
2 the “Acknowledgment and Agreement to Be Bound” (Exhibit A), unless otherwise
3 agreed by the Designating Party or ordered by the court. Pages of transcribed
4 deposition testimony or exhibits to depositions that reveal Protected Material may be
5 separately bound by the court reporter and may not be disclosed to anyone except as
6 permitted under this Stipulated Protective Order; and

7 (i) any mediators or settlement officers and their supporting personnel,
8 mutually agreed upon by any of the parties engaged in settlement discussions.

9 9.3 Disclosure of “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES
10 ONLY” Information or Items. Unless otherwise ordered by the Court or permitted in
11 writing by the Designating Party, a Receiving Party may disclose any information or
12 item designated “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY” only
13 to:

14 (a) the Receiving Party’s Outside Counsel of Record in this Action, as
15 well as employees of said Outside Counsel of Record to whom it is reasonably
16 necessary to disclose the information for this litigation and who have signed the
17 “Acknowledgement and Agreement to Be Bound” that is attached hereto as Exhibit A.

18 (b) Experts (as defined in this Order) of the Receiving Party to whom
19 disclosure is reasonably necessary for this Action and who have signed the
20 “Acknowledgment and Agreement to Be Bound” (Exhibit A), except that information
21 or items designated as “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY”
22 shall not be disclosed to any outside experts who are current employees, consultants,
23 officers, principals, or directors of a direct competitor of Defendants identified on
24 Exhibit B;

25 (c) the Court and its personnel;

26 (d) private court reporters and their staff, professional jury or trial
27 consultants, mock jurors, and Professional Vendors to whom disclosure is reasonably
28 necessary for this Action and who have signed the “Acknowledgment and Agreement

1 to Be Bound” (Exhibit A), except that information or items designated as “HIGHLY
2 CONFIDENTIAL – ATTORNEYS’ EYES ONLY” shall not be disclosed to any
3 outside consultants or vendors who are current employees, officers, principals, or
4 directors of a direct competitor of Defendants identified on Exhibit B;

5 (e) the author or recipient of a document containing the information or a
6 custodian or other person who otherwise possessed or knew the information;

7 (f) current employees of Defendants.

8 For the avoidance of doubt, disclosure of information or items designated
9 “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY” may not be disclosed
10 to any person or entity who, on and after the date this Action began, is or was a named
11 plaintiff to this Action.

12 9.4 Hardship

13 If a Party finds that the foregoing restrictions regarding the disclosure of
14 material covered by this Order imposes a hardship on that Party, the Party may, after
15 meeting and conferring in a good faith attempt to informally resolve the issue with
16 counsel for any other affected Party, contact the Courtroom Deputy for the assigned
17 Magistrate Judge to schedule a telephonic hearing as soon as practicable regarding the
18 issue.

19 10. PROTECTED MATERIAL SUBPOENAED OR ORDERED PRODUCED IN
20 OTHER LITIGATION

21 If a Party is served with a subpoena or a court order issued in other litigation that
22 compels disclosure of any information or items designated in this Action as
23 “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY”
24 that Party must:

25 (a) promptly notify in writing the Designating Party. Such notification
26 shall include a copy of the subpoena or court order;

27 (b) promptly notify in writing the party who caused the subpoena or order
28 to issue that some or all of the material covered by the subpoena or order is subject to

1 this Protective Order. Such notification shall include a copy of this Stipulated
2 Protective Order; and

3 (c) cooperate with respect to all reasonable procedures sought to be
4 pursued by the Designating Party whose Protected Material may be affected. If the
5 Designating Party timely seeks a protective order, the Party served with the subpoena
6 or court order shall not produce any information designated in this action as
7 “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL – ATTORNEYS’ EYES ONLY”
8 before a determination by the court from which the subpoena or order issued, unless
9 the Party has obtained the Designating Party’s permission. The Designating Party shall
10 bear the burden and expense of seeking protection in that other proceeding of its
11 confidential material and nothing in these provisions should be construed as
12 authorizing or encouraging a Receiving Party in this Action to disobey a lawful
13 directive from another court.

14 11. A NON-PARTY’S PROTECTED MATERIAL SOUGHT TO BE PRODUCED
15 IN THIS LITIGATION

16 (a) The terms of this Order are applicable to information produced by a Non-
17 Party in this Action and designated as “CONFIDENTIAL” or “HIGHLY
18 CONFIDENTIAL – ATTORNEYS’ EYES ONLY.” Such information produced by
19 Non-Parties in connection with this litigation is protected by the remedies and relief
20 provided by this Order. Nothing in these provisions should be construed as prohibiting
21 a Non-Party from seeking additional protections.

22 (b) In the event that a Party is required, by a valid discovery request, to produce
23 a Non-Party’s confidential information in its possession, and the Party is subject to an
24 agreement with the Non-Party not to produce the Non-Party’s confidential information,
25 then the Party shall:

26 (1) promptly notify in writing the Requesting Party and the Non-Party that
27 some or all of the information requested is subject to a confidentiality agreement with
28 a Non-Party;

(2) promptly provide the Non-Party with a copy of the Stipulated Protective Order in this Action, the relevant discovery request(s), and a reasonably specific description of the information requested; and

(3) make the information requested available for inspection by the Non-Party, if requested.

(c) If the Non-Party fails to seek a protective order from this court within 14 days of receiving the notice and accompanying information, the Receiving Party may produce the Non-Party's confidential information responsive to the discovery request. If the Non-Party timely seeks a protective order, the Receiving Party shall not produce any information in its possession or control that is subject to the confidentiality agreement with the Non-Party before a determination by the court. Absent a court order to the contrary, the Non-Party shall bear the burden and expense of seeking protection in this court of its Protected Material.

12. UNAUTHORIZED DISCLOSURE OF PROTECTED MATERIAL

If a Receiving Party learns that, by inadvertence or otherwise, it has disclosed Protected Material to any person or in any circumstance not authorized under this Stipulated Protective Order, the Receiving Party must immediately (a) notify in writing the Designating Party of the unauthorized disclosures, (b) use its best efforts to retrieve all unauthorized copies of the Protected Material, (c) inform the person or persons to whom unauthorized disclosures were made of all the terms of this Order, and (d) request such person or persons to execute the "Acknowledgment an Agreement to Be Bound" attached hereto as Exhibit A.

13. INADVERTENT PRODUCTION OF PRIVILEGED OR OTHERWISE PROTECTED MATERIAL

When a Producing Party gives notice to Receiving Parties that certain inadvertently produced material is subject to a claim of privilege or other protection, the obligations of the Receiving Parties are those set forth in Federal Rule of Civil Procedure 26(b)(5)(B). This provision is not intended to modify whatever procedure may be

1 established in an e-discovery order that provides for production without prior privilege
2 review. Pursuant to Federal Rule of Evidence 502(d) and (e), disclosure (including
3 production) of information that a Party or Non-Party later claims should not have been
4 disclosed because of a privilege, including, but not limited to, the attorney-client
5 privilege or work product doctrine (“Privileged Information”), shall not by itself
6 constitute a waiver of, or estoppel to, any claim of attorney-client privilege, attorney
7 work product, or other ground for withholding production as to which the Producing
8 Party would be entitled in the Litigation or any other federal or state proceeding.
9 Pursuant to Federal Rule of Civil Procedure 26(b)(5)(B) and Federal Rule of Evidence
10 502(e), the Receiving Party hereby agrees to return, sequester, or destroy any Privileged
11 Information disclosed or produced by the Producing Party upon request. If the Receiving
12 Party reasonably believes that Privileged Information has been inadvertently disclosed or
13 produced to it, it shall promptly notify the Producing Party and sequester such
14 information until instructions as to disposition are received. The failure of any Party to
15 provide notice or instructions under this Paragraph shall not by itself constitute a waiver
16 of, or estoppel to, any claim of attorney-client privilege, attorney work product, or other
17 ground for withholding production as to which the Producing Party would be entitled in
18 the Litigation or any other federal or state proceeding.

19 14. MISCELLANEOUS

20 14.1 Right to Further Relief. Nothing in this Order abridges the right of any
21 person to seek its modification by the Court in the future.

22 14.2 Right to Assert Other Objections. By stipulating to the entry of this
23 Protective Order, no Party waives any right it otherwise would have to object to
24 disclosing or producing any information or item on any ground not addressed in this
25 Stipulated Protective Order. Similarly, no Party waives any right to object on any
26 ground to use in evidence of any of the material covered by this Protective Order.

27 14.3 Filing Protected Material. A Party that seeks to file under seal any
28 Protected Material must comply with Local Civil Rule 79-5. Protected Material may

1 only be filed under seal pursuant to a court order authorizing the sealing of the specific
2 Protected Material. If a Party's request to file Protected Material under seal is denied
3 by the court, then the Receiving Party may file the information in the public record
4 unless otherwise instructed by the court.

5 14.4 No Limit on Advice or Representation. The parties agree that nothing in
6 this Protective Order shall be deemed to limit the extent to which counsel for the
7 parties may advise or represent their respective clients, conduct discovery, prepare for
8 trial, present proof at trial, including any document herein, or oppose the production or
9 admissibility of any information or documents which have been requested.

10 15. FINAL DISPOSITION

11 After the final disposition of this Action, as defined in paragraph 6, within 60
12 days of a written request by the Designating Party, each Receiving Party must return
13 all Protected Material to the Producing Party or destroy such material. As used in this
14 subdivision, "all Protected Material" includes all copies, abstracts, compilations,
15 summaries, and any other format reproducing or capturing any of the Protected
16 Material. Whether the Protected Material is returned or destroyed, the Receiving Party
17 must submit a written certification to the Producing Party (and, if not the same person
18 or entity, to the Designating Party) by the 60-day deadline that (1) identifies (by
19 category, where appropriate) all the Protected Material that was returned or destroyed
20 and (2) affirms that the Receiving Party has not retained any copies, abstracts,
21 compilations, summaries or any other format reproducing or capturing any of the
22 Protected Material. Notwithstanding this provision, Counsel are entitled to retain an
23 archival copy of all pleadings, motion papers, trial, deposition, and hearing transcripts,
24 legal memoranda, correspondence, deposition and trial exhibits, expert reports,
25 attorney work product, and consultant and expert work product, even if such materials
26 contain Protected Material. Any such archival copies that contain or constitute
27 Protected Material remain subject to this Protective Order as set forth in Section 6
28 (DURATION).

16. VIOLATION

Any violation of this Order may be punished by appropriate measures including, without limitation, contempt proceedings and/or monetary sanctions.

FOR GOOD CAUSE SHOWN, IT IS SO ORDERED.
